**From Our Family To Yours

Al Schorner, Founder

September 20, 2025

Dear Returning Customer,

As Summer quickly draws to a close we're busy here at Al's getting everything ready for the Fall startup of our 48th CITRUS HARVEST.

Staying healthy is still on everyone's minds these days. We're so grateful and blessed to grow, pack and ship Florida Citrus, one of the healthiest foods in the world. Our Indian River Citrus is loaded with Vitamin C, powerful antioxidants and rich in flavonoids, all proven to boost the bodies immune system.

Over 40 years ago my dad, Al, began a special program just for citrus lovers that he named The Citrus Club®. Those who joined were reserved his very best varieties for each month of the citrus season from Fall through Spring. As a reward to his faithful Citrus Club® members he proudly gave them their **Last Box of Fruit FREE**, they paid only for delivery.

Today Matt and I continue to honor Dad's vision by inviting you to join the Citrus Club® too and enjoy your choice of our best citrus, picked fresh and delivered straight to your doorstep from October to April. Best of all **your last box in April is FREE** (you pay only the delivery charge). That's a typical **16% + savings over single box pricing!** Each monthly shipment is fully guaranteed to please. Just let us know if you need to skip a month and remember you may cancel at anytime.

Stay healthy the natural way this winter...Remember, unless you live in a grove you can't eat sweeter, fresher fruit!

May God bless you with the gift of health,

Jeff Schorner & Family

P.S. In addition to Free Fruit and in honor of our 48th Anniversary, I will include a Free Gift – An 8 oz. jar of fresh, Florida Honey inside the November box. I guarantee your satisfaction. Even if you discontinue your plan, the Honey is yours to keep with my compliments. Please don't wait.

To receive your additional free gift, I must receive your order by October 31, 2025.

I was so pleased you chose to order with us last fall. You experienced first hand the

“Al’s Family Farms Difference”.

Now that you’ve tasted the difference, I’m sure you agree you won’t find sweeter, fresher fruit anywhere. Our jumbo trays hold 20% more fruit too!

Why not treat yourself or someone you love to a season supply of my finest, mouth-watering Florida Citrus delivered straight to the door from Fall through Spring?

It’s so easy to join –

Simply choose all oranges, all Ruby Red grapefruit or a tasty mixture of both. In return, I promise to reserve you, my club member the very best fruit from each picking.

Jeff & Matt personally ensure our crew selects only our very best!

Ever since my wife Sharon's heart attack in 2013, we've become even more health conscious watching what we eat and exercising more. So glad others are now discovering just how healthy fresh citrus truly is. If you have a loved one who needs to start eating right too, how about giving them a Club plan gift?

"Fruit arrived in great shape – in fact every month this year we received the fruit with all of it in the best condition ever. It is a special treat to receive it straight from the orchard. Thank you very much!"

— Mrs. Laverne B., Milledgeville, GA
